

St. Michael's - A Home Away From Home

*We are a caring team, thirty years old, warm & wise
We work together to spread, smiles,
and make our days shine
One heart, one path, one direction
We are a team, all friends, we are champions*

Chorus:

*A beautiful place to work with friends,
the place where I belong
A Loving, caring family, a home away from home
St. Michael's, a home away from home
St. Michael's, a home away from home.*

*Go with the flow, like a river,
open our minds and our hearts
Lean on one another, our caring, compassionate,
multicultural family
A security, love and good food
We work together, united, and have a happy day*

*We will overcome, and persevere,
help those that need our help
Make a difference in our resident's lives,
show how much we care
Change their lives, one smile at a time
Bring hope, bring love, bring tender loving care.*
